

## Professional Design Project Description for calling design experts inquiry

- Please provide information about the proposed proposal to generate inquiry from design experts to perform the design activity
- Please provide information only for web publishing. The information will be visible on web and assessed by the design community and others. Do not disclose information which are confidential.
- Please register you MSME unit with Design Clinic Scheme if not registered for further processing.

**Project Title : Designing of Fabric Inspection Machine / Rolling Machine / Folding Machine.**

**MSME Unit Name** : M/s.New Bhagwati Engineering Works.  
**Contact Person** : Mr. Virendra R Panchal.  
**Address** : 32-A, Gopal Industrial Estate, Opp. Vallabh Nagar Society,  
B/H Harshad Chambers, Odhav Road, Ahmedabad 382415  
**Ph. No** : +91 79 22870454 / 2297 1710 - Mob.: +91 9824480454.  
**E-mail** : [info@newbhagwati.com](mailto:info@newbhagwati.com) / [newbhagwati@yahoo.co.in](mailto:newbhagwati@yahoo.co.in)  
**Web** : <http://www.newbhagwati.com>

**Industry Type and Products** : Manufacturing of Fabric Inspection Machine / Rolling Machine / Folding Machine.

**Project Brief :** We have been manufacturing all these machines without having any professional design assistance and based on our intuition. Now with the assistance of NID would like to improve the design of these machines keeping in mind the global trade in mind.

**Designer Preference:**

**(Specify experience, expertise, area of work if any)**
